UPNAAI GIVING TUESDAY

Tuesday, December 1, 2026

Dear Fellow UP Nurses, Jubilarians, and Friends of UPNAAI,

When a UP nursing student wrote to thank UPNAAI this year, she said, *"Thank you so much again for investing in my future and for lessening the load on my mom."*

It's those last few words that stay with me. As our Jubilarians take out their class photos this year, I wonder how many of us can still picture the person who made it possible for us to stand there in our uniforms. Maybe it was your mother, too. Maybe it was a sibling who helped pay for books, or a classmate who shared the one they had. Years later, we still remember who showed up for us.

This GivingTuesday, **Tuesday, December 1, 2026**, will you make a tax-deductible gift to UPNAAI? Together, we can fund more scholarships for UP College of Nursing students, support the Balik Turo program, and offer free health screenings to families through Community Health & Outreach.

Wherever life has taken us since UPCN, we can still look after one another. Whether you're celebrating a Jubilarian year, giving with your chapter, or joining us as a friend, *maraming salamat* for giving what you can.

Warmly in *paglilingkod*,
