Thanksgiving 2026

Greetings to All,

On behalf of the UPNAAI officers, Board of Directors and the Advisory Council, I would like to greet you a Happy Thanksgiving! We owe a sense of gratitude to each and everyone of you for your love, trust and support for UPNAAI. As we move forward with the second year of our term, we have activities lined up. Coming up next week is the Giving Tuesday. We hope that you support this program as funds raised from this will help the scholarship program. Yes, the tuition fee is free in U.P. but there are other expenses that our students incur including books, uniforms, board and lodging and transportation to and from school among others. We are also preparing for next year's Balik Turo to be held on the week of the UPCN Foundation Day weeklong celebration in April. I would like to call on the jubilarians for next year to join us in this activity and share your expertise to the whole student body of the College.

We are also preparing for the 48th UPNAAI Convention in Burbank, CA on August 6-7, 2027. Again, calling all jubilarians and celebrate your year. Get together with your classmates, renew friendship with other fellow alumni and make new friends. We will have the election of a new Board of Directors and from among the Board, they will elect the officers. So feel free to nominate a friend, a classmate or yourself and join the Board of Directors. Be the moving force to bring UPNAAI to the forefront and fulfill its mission and vision.

Looking forward to seeing you in the next activities! Have a wonderful, happy Thanksgiving again to you and your families!

Sincerely,

Rosemarie Gadioma

Rosemarie Gadioma, MSN, ANP, BSN'81, ACNP-BC
UPNAAI President, 2025-2027
