

Mrs. Floresinda Sison Castelo, GN 50, RN

FIRST UPNAAI PRESIDENT

I wish to congratulate UPNAAI, its officers and members, for achieving another milestone. While I do have a role in the nascent UPNAAI, I am profoundly humbled by what it has become, an institution that it is today. It is like a dream come true, a realization of my lofty aspiration that UP nurses can unite in the spirit of friendship and camaraderie.

Indeed I am in awe of the wonderful achievements of UPNAAI, the dedication and commitment of the leaders, and loyalty of the members.

On this our Coral Jubilee, my best wishes to all. Godspeed.

*Happiness! It is useless to seek it elsewhere than in this warmth
of human relations....*

Only a comrade can grasp us by the hand and haul us free.
